

JOB OPENING
GUNNISON COUNTY FIRE PROTECTION DISTRICT
MAINTENANCE TECHNICIAN

The Gunnison County Fire Protection District has an opening for a Maintenance Technician. The Gunnison County Fire Protection District is a Colorado special district with a five member Board of Directors. This is a full time 40 hour per week position. The position reports to, and receives supervision from, the Gunnison Fire Marshal.

Responsibilities to include: Development and implementation of a preventive maintenance program for the entire District fleet. Perform routine maintenance of all small engines and other firefighting equipment owned by the District. Bid and hire any contract work to be done on any fleet equipment. Organize and monitor a certified driver/operator training program for the Gunnison Volunteer Fire Department. Maintain cleanliness of the fire station interior and exterior.

Qualifications: High School Diploma or GED minimum. Minimum of five years related experience. Working knowledge of automotive equipment, gas and diesel mechanics, hazard and safety precautions common to Fire District maintenance and repair activities. Ability to work independently and carry out assigned projects to their completion. Possess Colorado driver's license with ability to obtain a valid CDL. Prior experience as a fire apparatus driver/operator. Prior experience as a fire officer.

Compensation: \$38,000 annually. Benefits package includes health insurance, retirement plan, paid vacation and paid holidays.

All applicants shall reside within the Gunnison County Fire Protection District boundaries.

To apply: Send a resume and the telephone numbers of three references no later than Thursday, March 15th, 5:00 PM to:
